

AVS College of arts & Science

Salem

Add-On Courses Details

Add-On Courses for the academic year 2014-2015.

S. No	Course Name	Department
1	Communication Skills, The Art of Persuasive Writing, Anchoring, Reporting & News Reading, Theatre Arts	English
2	Salesmanship, E-Commerce, Human Resource Management, Business Communication, Indian Financial Service	Commerce
3	Branches of Accounts, Contract and Agreement, Tax Liabilities	Commerce CA
4	Office Automation, Computer Based Web Designing, Supply Chain Management	Business Administration
5	Led Making, Basic Circuit Designs Electrical Appliances Repair And Maintenance, Basics of CRO Solar Photo Voltaic and Installation	Physics
6	Theoretical Method of Fundamental Atomic Structure, Nuclear Chemistry Dye Chemistry, Food Chemistry, Polymer Chemistry	Chemistry
7	SCI Lab, Logical and Reasoning, Linear Algebra and Matrix Theory, Linear Programming, Logical and Reasoning	Mathematics
8	Life saving first aid, Azolla cultivation, Medical Laboratory Technology, Sterilization & Antiseptic Techniques, Wine production	Microbiology
9	Molecular Biology, Pure Culture Techniques Plant Biotechnology, Bio Fertilizer,	Biotechnology

	Seri Culture	
10	Basics of Internet, ASP.NET, JAVA Script, MATLAB	Computer Science
11	Cloud Computing, Digital Electronics, Sensor Technology	Computer Application

Add-On Courses for the academic year 2015-2016.

S. No	Course Name	Department
1	Communication Skills, The Art of Persuasive Writing, Anchoring, Reporting & News Reading, Theatre Arts	English
2	Salesmanship, Human Resource Management, Advertising, Marketing , Advertising	Commerce
3	Business Letter, Underwriting of shares, Company Directors &Appointments	Commerce CA
4	Office Automation, Communication Skills, Graphic Design	Business Administration
5	Theoretical Method of Fundamental Atomic Structure, Nuclear Chemistry Dye Chemistry, Food Chemistry, Polymer Chemistry	Chemistry
6	Curves and Surfaces, R – Programming, Vedic Maths, Automata Theory	Mathematics
7	Life saving first aid, Azolla cultivation, Medical Laboratory Technology, Sterilization & Antiseptic Techniques, Wine production	Microbiology
8	Immune technology, Clinical Techniques, Bio Natural Production, Bio Fertilizer, Seri Culture	Biotechnology
9	TALLY, Internet of Things, MATLAB,	Computer Science

	Oracle	
10	Computer Network, Advanced Network Cloud Computing	Computer Application

Add-On Courses for the academic year 2016-2017.

S. No	Course Name	Department
1	E-Marketing, Advertising, Indian Financial Service Salesmanship, Human Resource Management	Commerce
2	Banking Correspondence, Product Life Cycle & Digital Marketing, Ratio Analysis	Commerce CA
3	Computer Techniques, Communication Skills, Computer Based Web Designing	Business Administration
4	Communication Skills, The Art of Persuasive Writing, Theatre Arts, Journalism and Mass Communication II	English
5	C++ Programming, JAVA, VMWARE	Computer Science
6	Developmental Biology, Industrial Important Microorganisms, Waste Management, Biochemical analysis, Phytoremediation	Biotechnology
7	Web Designing, Crypto Water making Method for Medical Image, 3D Internet	Computer Application
8	Rock Sample Collection and Analysis (BMQ) in Kanjamalai – A Field Approach	Geology

Add-On Courses for the academic year 2017-2018.

S.No	Course Name	Department
1	Communication Skills, The Art of Persuasive Writing, Theatre Arts, Journalism and Mass Communication II	English
2	Ilakkanam	Tamil
3	Historiography	History
4	Marketing Management, Advertising, Development, Salesmanship, Human Resource Management	Commerce
5	Partnership Accounts and Firms, Capital Market and its Trends, Entrepreneurial Development	Commerce CA
6	Yoga Therapy, Enterprise Resource Planning, Graphic Design	Business Administration
7	Led Making, Basic Circuit Designs,	Physics

	Electrical Appliances Repair and Maintenance, Basics of CRO, Solar Photo Voltaic and Installation	
8	Theoretical Method of Fundamental Atomic Structure, Inorganic Semi micro Qualitative Analysis, Nano Chemistry, Food Chemistry, Polymer Chemistry	Chemistry
9	GROUP THEORY, Vedic Maths, R Programming, Multivariable Calculus	Mathematics
10	Life saving first aid, Azolla cultivation, Medical Laboratory Technology, Sterilization & Antiseptic Techniques, Wine production	Microbiology
11	Mushroom Cultivation, Biophysical Instrumentation, Bioinformatics, Food Processing, Transplantations	Biotechnology
12	JAVA, Web Technologies, R Language	Computer Science
13	Oracle, Firewall, Wireless Application Protocol	Computer Application
14	Groundwater Exploration Techniques, Identification of Subsurface Layers –Using Resistivity Meter – A Field Approach	Geology
15	Cad & Cam Garment Manufacturing,	Textile and Fashion Designing

Add-On Courses for the academic year 2018-2019.

S. No	Course Name	Department
1	Communication Skills, Spoken and written English, Effective Communication Skills, Theatre Arts, Journalism and Mass Communication II	English
2	Tamilaga Varalarum Makkalin Panbadum, Nambi Agapporul	Tamil
3	Museum Studies, Epigraphy Studies	History
4	Business Communication, Issues of Shares, Direct and Indirect Taxes, Marketing Management , Advertising	Commerce
5	Financial Accounts for sole trading concern, Labour Turnover & Retaining,	Commerce CA
6	Yoga Therapy, Enterprise Resource Planning, Soft skills, Identification of Project Problems & Solutions	Business Administration

	Hospital Management, Tourism Management Office Automation	Business Administration
7	Led Making, Basic Circuit Designs, Electrical Appliances Repair and Maintenance, Basics of CRO, Solar Photo Voltaic and Installation	Physics
8	Theoretical Method of Fundamental Atomic Structure, Inorganic Semi micro Qualitative Analysis, Nano Chemistry, Food Chemistry , Polymer Chemistry	Chemistry
9	Ring Theory, SCI Lab, Relation And Ordering, Algebraic Topology, Mat Lab	Mathematics
10	Life saving first aid, Azolla cultivation, Medical Laboratory Technology, Sterilization & Antiseptic Techniques, Wine production	Microbiology
11	Enyme Technology, Food Testing, Plant Tissue Culture, Dissociation and association, Constants, Expression Vectors	Biotechnology
12	Internet of Things, Web Technologies, TALLY	Computer Science
13	Internet of Things, Networking Management Protocol	Computer Application
14	Groundwater Evaluation and Importance of Water, Groundwater Identification of Confined and Unconfined Aquifer, Exploration of Geo Mineral Compounds in Granite	Geology
15	Craft Work for Emboss Painting, Glass Painting, Silk Thread Accessories,	Textile and Fashion Designing
16	Event Management	Vis Comm.
