Programme Outcomes (POs)

On successful completion of the B.A English

PO1	To educate students in both the artistry and utility of the English language through the study of literature and other contemporary forms of culture.
PO2	To make students aware of the different communicative skills, and to develop among them an ability to effectively communicate in English, both in written and spoken modes.
PO3	To provide students with the critical faculties necessary in an academic environment, on the job, and in an increasingly complex, independent world.
PO4	The syllabus of this program is aimed at preparing the students with the latest developments and put them on the right track to fulfill the present requirements.
PO5	This course aims to impart advanced and recent developments in the concerned discipline.

Program Specific Outcomes (PSOs)

After the successful completion of B.A English programme the students are expected to

PSO1	Irrespective of the discipline the student can select papers that are offered by other disciplines as non-major course.
PSO2	Participation in NSS / NCC / YRC / RRC / Sports or other co-curricular activities are considered for Extension activity.
PSO3	Students will encounter new words and phrases that will help expand their vocabulary and improve their understanding of language.

Programme Educational Objectives (PEOs)

The B.A English programme describes accomplishments that graduates are expected to attain within five to seven years after graduation.

PEO1	Intellectual skills: Intellectual skills are the 'building blocks' of thinking and they are involved in all types of thinking. In this study, the skills tested include language skills, graphical skills, three-dimensional visualization skills, information-processing skills and reasoning skills.
PEO2	Contextualization of knowledge: The efforts to teach critical thinking skills in which students learn to reflect on the social, cultural, and disciplinary context in which knowledge is created.
PEO3	Soft skill trainer: A soft skill trainer provides training to employees and helps them strengthen their interpersonal skills. They provide business teams and individuals with the tools required for interpersonal communication at the workplace.
PEO4	Critical thinking: A kind of thinking in which you question, analyze, interpret, evaluate and make a judgment about what you read, hear, say, or write. The term critical comes from the Greek word kritikos meaning “able to judge or discern”.
PEO5	Research and communication: If critical thinking is a key phrase in the job listings you are applying for, be sure to emphasize your critical thinking skills throughout your job search.
