SERVICE TO GOD”**

DONATE BLOOD

SAVE LIFE

VISION OF YRC:

The Indian Red Cross Society (IRCS) is a voluntary humanitarian organization to protect human life and health based in India. It is part of the International Red Cross and Red Crescent Movement, and so shares the Fundamental Principles of the International Red Cross and Red Crescent Movement. The society's mission is providing relief in times of disasters/emergencies and promoting health & care of vulnerable people and communities.

MISSION OF YRC:

Youth Red Cross Society AVS College of Arts and Science was started in year 2000, at present more than 3000 volunteers are actively involved in Social activities. Youth Red Cross helps the students to inculcate discipline in them and to understand their responsibilities towards their countrymen, especially the poor and downtrodden.

OBJECTIVE OF YRC:

- To contribute to the improvement of health, the prevention of disease and child care in the community.
- To educate the population on how to prepare for and respond to disasters and Natural calamitous.
- To organize emergency relief services for the victims of disasters and mitigation of their suffering.
- To promote the participation of children and youth in the work of the Red Cross.
- To promote the Fundamental Principles of the Movement and the International Humanitarian Law in order to inculcate humanitarian ideals among the population, and in particular among children and youth.
- To recruit, train and develop volunteers/personnel as necessary for undertaking humanitarian responsibilities.
- To serve the community within its jurisdiction, the state branch may initiate activities to address local needs and priorities as approved by the Managing Body of the branch.
